# INDIGENOUS DIGITAL & TECHNOLOGY CAREER DEVELOPMENT PROGRAM

Manitoba Hydro is consistently recognized as one of Manitoba's Top Employers!

We are seeking qualified students who graduated **within the last year** or **are graduating by April 2025**.

WHY CHOOSE MANITOBA HYDRO

Manitoba Hydro is a leader among energy companies in North America, recognized for providing highly reliable service and exceptional customer satisfaction. Join our team of Manitoba's best as we continue to build a company that supports innovation, commitment and customer service.

CAREER DEVELOPMENT OPPORTUNITY

Manitoba Hydro's Digital & Technology team is helping to drive an exciting evolution for the company and is actively recruiting for our career development program. There has never been a more exciting time to join Manitoba Hydro's team of digital and technology experts as the company begins to implement a long-term vision that will transform Manitoba Hydro into the utility of the future: modern, customer-centric and positioned to thrive in a rapidly changing energy landscape.

WHAT THE PROGRAM OFFERS

Our Program consists of a variety of rotations within the Digital & Technology landscape over a period of approximately 24 months. While employed in this Program, trainees will be given challenging and diverse work assignments that will assist them in their transformation from an academic environment to professional business environment.

YOUR ROLE IN SHAPING THE FUTURE

You can be part of building a strong future for Manitoba Hydro and the customers it serves. Along the way, you'll touch and develop leading edge technologies and systems in the energy sector with licence to innovate and solve problems both independently and as part of a diverse team, developing your skills for a future professional career.
