NOW HIRING

Workshop Instructors

During the school year, WISE Kid-Netic Energy offers science and engineering workshops throughout Manitoba. We will be hiring a number of instructors. If you are passionate about science or engineering, detail-oriented, self-motivated, enthusiastic, and have a valid intermediate or full driver's license, we want to meet you!

Application Deadline: September 18, 2022

Please visit wisekidneticenergy.ca/employment for a detailed job description, as well as an application form.
