Students gain hands-on experience in JavaScript, Rich Internet Applications (RIAs), Web services, Design Patterns and Mobile Application Development. Students not familiar with HTML and CSS are strongly encouraged to take ACS-1809(3).

## Evaluation Criteria □

### **Midterm Examination (25%)**

- There will be one midterm test.
- The midterm will be 75 min, and there will be a lecture after the exam.
- One 8 1/2 x 11, single-sided, hand-written information sheet is allowed.

### **Assignments (25%)** □

- There will be four assignments, the first three consist of 6% (each) of your final grade and the final assignment is 7%. Submission procedure and other requirements will be stated in individual assignments. They will be due at 11:59:59 pm on the due dates.
- **Grace days:** Each student will receive 3 grace days (for assignments only). These are to cover scheduling crunch, out-of-town trips, illness, and minor setbacks. I recommend saving them until the end of the term.
- **Late Penalties:** For each assignment, students can use their grace days to extend the due date. Once a student has used all their grace days, a late penalty of 15% a day (for a maximum of 3 days) will be imposed. After 3 days the student will not receive any marks for the assignment. **NO EXCEPTIONS** without medical certificate.
- No handwritten assignments will be accepted for evaluation.

## **Final Examination (50%)**

- The final examination is comprehensive. □
- One 8 1/2 x 11, double-sided, hand-written information sheet is allowed.

## **Exam Requirements**

- Photo ID at exam is required. (
- You are expected to write the test/exam on its given day. (
- No electronic devices (e.g. cell/smart phone, laptop, scientific calculators, translators, (etc.) are permitted. (
- Unless a medical certificate is provided, no accommodation is made for missed exams. (

## **Final Letter Grade Assignment**

Historically, numerical percentages have been converted to letter grades using the following scale. However, instructors can deviate from these values based on pedagogical nuances of a particular class, and final grades are subject to approval by the Department Review Committee. □

A+	91 - 100%	B	70 - 74%
A	85 - 90%	C+	65 - 69%
