Department of Applied Computer Science

The Department of Applied Computer Science at The University of Winnipeg invites outstanding candidates to apply for a tenure-track appointment at the rank of Assistant Professor. The ideal candidate will possess a Ph.D. in Computer Science or related fields at the time of appointment. Candidates should have research expertise in one of the following areas: Computer Security, Software Engineering, Cloud Computing, Gaming, or Multimedia.

Candidates must have a strong commitment to excellence in research and teaching, and will teach at the undergraduate and graduate levels. The successful candidate will share in the administrative responsibilities of the department, play an active role in the advising and supervision of students, and have opportunities to supervise students in the department's M.Sc. program in Applied Computer Science and Society. Candidates will be responsible for developing curriculum related to the focus areas.

The selection committee will begin reviewing applications on May 1, 2019 and will continue until the position is filled; full consideration is assured for applications received by April 30, 2019. Subject to budgetary approval, this position will be effective from July 1, 2019. Salary levels will be commensurate with qualifications and experience.

Applicants are requested to submit a complete application that will include:
- a cover letter
- a current curriculum vitae
- a research statement describing past achievements and future plans
- a teaching statement and evidence of teaching effectiveness, including teaching evaluations, if available
- copies of at most three relevant publications

Applicants must submit all of the above materials through **The University of Winnipeg's online recruitment system** (https://www.northstarats.com/University-of-Winnipeg).

Candidates should also arrange to have three letters of reference e-mailed directly to:
Dr. Simon Liao, Chair
Department of Applied Computer Science
